Founded in 2001, Georgian American University is one of the leading medical schools in the country. The university located in Tbilisi establishes a strong focus on the importance of high-quality education. The university's goal is to establish a renowned educational center in Georgia by ensuring the adoption of worldwide education standards in teaching and research. The MBBS program lasts five years and 8 students per lecturer ratio are maintained. For international students, the medium of instruction is English. The employability rate is around 92 percent after the completion of the MBBS course.

**” When you study abroad every phase is a learning experience.**
